EXPERIENCE

Object Oriented Programming Practicum Assistant   03/2025 - Present
Informatics lab ↗
- Assisted students in mastering OOP principles, including classes, objects, inheritance, polymorphism, encapsulation, and abstraction, through practical examples and coding exercises.
- Evaluated student performance through coding assignments and projects, providing constructive feedback on their understanding and application of OOP principles.
- Guided students during lab sessions, helping them implement OOP concepts in real-world scenarios, debugging their code, and providing step-by-step solutions for common challenges.

Data Structure Practicum Assistant   09/2024 - 02/2025
Informatics lab ↗
- Assisted students in understanding fundamental data structures, including linked lists, stacks, queues, graphs, and trees.
- Evaluated student performance and graded practical assignments in alignment with course objectives.
- Provided guidance and support to students during their final project, helping them apply data structure concepts effectively.

Programming Algorithms Practicum Assistant   02/2024 - 06/2024
Informatics lab ↗
- Delivered comprehensive instruction on fundamental and advanced algorithms, including functions, recursion, arrays, searching, and sorting, using Go (Golang).
- Assisted students in understanding complex programming concepts through hands-on lab sessions and personalized guidance.
- Developed and graded practical assignments, ensuring alignment with course objectives and learning outcomes.

Member of Web developer Division   02/2023 - 01/2024
Central Computer Improvement Telkom University ↗
- Learn some basic HTML and CSS.

EDUCATION

Natural Science (IPA)   07/2019 - 04/2022
SMAN 8 PEKANBARU
- Final grade : 90.07/100.
- Top 90 parallel students.

CERTIFICATES

Introduction to Javascript ↗   08/2023 - Present
Sololearn

Learn about basic javascript such as data types, conditional, loop, function.

Practicum Assistant Programming Algorithm   02/2024 - 06/2024
Informatics lab

English Proficiency Test (EPrT) ↗   08/2022 - 09/2024
Telkom University

SKILLS

Java	Basic	Critical Thinking	
Dart	Basic	Javascript	Basic
SQL	Basic	Golang	Basic
HTML & CSS	Basic		

LANGUAGES

		English	Basic
Bahasa Melayu	Intermediate	Bahasa Indonesia	Native
